- April 26 – Silent Ball
- April 28 – Crazy Hair Day!

Report Cards Go Home! Thursday, April 13th

Please take a moment to review and discuss your child's report card and to celebrate his or her accomplishments! *Way to go CUBS, you make us proud!*

CNB - PARENT ADVISORY COUNCIL

The next PAC meeting is scheduled for Wednesday, April 26th at 6:30 pm in the Second Staff Room. New parent members are always welcome.

Safe Arrivals

By now, you should have all received an email outlining a new attendance tracking system we will be using called: Safe Arrivals. We ask that you kindly register within this system as soon as possible.

Library News

We've had a busy February and as term two draws to a close, we've seen big projects wrap up. We are looking forward to hearing the grade 7s share out about their novels they have been writing. The Science 8 students have been looking at lenses, eyes, and vision and are moving to explore volcanoes and earthquakes and the grade 9s have started looking at Confederation in Social Studies. We're starting to book more virtual field trips and have some museum boxes arriving after spring break, all of which we are looking forward to!

Homework Club – NEW HOURS

Just a reminder that our CUB Homework CLUB is open Monday – Thursday before school (8:00 – 9:00) and after school (3:15 – 4:15). This is a wonderful opportunity for students to get adult support and complete the necessary learning targets to be successful within their classes. Located in Room 126.

School Registration Information for Sept. 2017

If you are new or know of someone who will be new to our school community for the upcoming school year, please visit <http://www.cnb.sd23.bc.ca/Pages/default.aspx> and click on Online Student Enrollment Information.

From the CUB Kitchen

Things were popping during the month of March in our CNB Kitchen. While working in groups, students self-selected different popcorn recipes to enjoy! Please see the link below and try a few at home! Delicious!

Grade 8 Girls Volleyball Rocked!

Congratulations to the two grade 8 girls' volleyball teams. Both teams had an outstanding season. Not only did they win most of their league games, but they also performed well in two tournaments. They took first place at the OKM tournament, and later in the season, took second place at the George Elliot tournament. To end the season both teams made it into the final play-off round and ended up taking Silver and Bronze. They both fought hard and had a chance at Gold, but ended up narrowly losing the battles. Mr. Taylor and Mrs. Verstraete coached the girls this season, and both agreed, it is not every season you get a group of kids this talented and hard working. Both coaches are looking forward to coaching the girls in grade 9 when they have a real shot of dominating the league. Until then, they are hoping that the girls will sign up for both summer camps, and beach volleyball leagues this summer to hone their skills and stay focused.

Grade 8 Boys Volleyball

Congratulations to the grade 8 boys' volleyball teams. Both of their teams did well this season. They participated in two tournaments and did great. From the beginning of the season to the end of the season, they came a long way. Their coaches Keith Witt and Jason Friesen put in a lot of time working with these boys and it definitely showed. One team ended up coming in 2nd at play-offs and the other team had a strong 5th place finish. Good job boys!

CUB's GOT TALENT!

CNB's got talent is coming soon. All students who have talent that they felt couldn't be highlighted in our school talent show in March, this is for you. If your talent can be showcased through a *video* such as skiing, skateboarding, figure skating, mountain biking, BMX, dance, painting, video game mastery and anything else, then this is your time to shine. Please see Mrs. Craig in room 104 to submit a video before the end of April. The video viewing and judging will happen in early May.
