Constable Neil Bruce Middle School

Happy Friday, everyone! As we head into the Victoria Day long weekend, we wish all of you a restful few days, with lots of time outside with your families. A reminder of an upcoming piece at our school — we have our Grade 5 family information night on Wednesday, May 27: two sessions (one hour each) for families to come to CNB, hear from our team, and tour the school with our incoming Grade 6 students. For now, take care!

Opening of École George Pringle Secondary School

The Board is seeking input from the West Kelowna and Peachland Communities about the opening of École George Pringle Secondary School.

You are invited to provide feedback at the following link:

<https://tejoin.com/participate/933391364>

At the Central Okanagan Public Board Meeting on April 22, 2026, the Board of Education directed the Superintendent of Schools to conduct a public consultation process about catchment boundary options associated with the opening of École George Pringle Secondary School (GPSS).

The opening of GPSS in September 2027 needs the Board of Education's direction on the placement of middle and secondary students on the Westside.

Beginning in 2021, the Board of Education approved several motions to prepare for the development of a second secondary school in West Kelowna after holding multiple public consultation meetings, public Committee meetings, and public Board Meetings. Since 2021, significant changes in student enrolment trends no longer align with the original Board of Education motions and affect efforts to balance student enrolment in West Kelowna. To better align future student enrolment at West Kelowna middle and secondary schools, the following scenarios have been shared for consideration:

1. Follow the 2022 Motions to shift the Shannon Lake Elementary School catchment into the École Glenrosa Middle School feeder catchment.
2. Keep the alternate feeder pattern where the Shannon Lake Elementary School catchment continues to belong to the Constable Neil Bruce Middle School catchment, balancing middle school enrolments and gradual secondary school enrolment shifts.
3. Keep the alternate feeder pattern where the Shannon Lake Elementary School catchment continues to belong to the Constable Neil Bruce Middle School catchment. Middle and secondary school enrolments numbers are managed by registration alignment at school transition times (grade 5 into grade 6 and grade 8 into grade 9).

Public consultation sessions were held on April 30 at Shannon Lake Elementary School, May 5 at Constable Neil Bruce Middle School and May 7 at École Glenrosa Middle school. If you would like to provide additional feedback regarding the opening of École George Pringle Secondary School, please use the QR or link provided above.

Thank you in advance for your feedback.

Celebrating Our May Service Above Self Award Winners

We are excited to celebrate **Ethan Wetzel-Eden (Grade 7)** and **Kaitlin Kealey (Grade 8)** as our May recipients of the **Service Above Self Student Award**, created in partnership with the West Kelowna Rotary Club. This award honours students whose actions reflect kindness, caring, community service, and leadership through service.

Ethan and Kaitlin consistently demonstrate the spirit of a **CNB Cub** through the compassion and empathy they show toward others. Whether through their supportive words or thoughtful actions, they help foster an inclusive and welcoming environment at CNB. Both Ethan and Kaitlin regularly contribute to a positive school culture by showing selflessness, encouraging others, and strengthening connections within both the school and the wider community.

Their actions strongly reflect our CNB learning priorities:

- **Connect** — They help create a welcoming, positive environment where others feel seen and valued.
- **Nurture** — Through their willingness to give their time and energy, they support others.
- **Belong** — They treat everyone with respect, inspire others through their actions, and help ensure all students feel they have a place and purpose.

Congratulations, Ethan and Kaitlin— thank you for modeling Service Above Self!
